Silent Auction

Everyone can sell in the Silent Auction!

- It doesn't cost anything to enter an item for sale.
- A great way to find a home for those dup's you have been carrying around for years.
- It's easy to do. Most of the preparation can be done while watching football on TV.
- Auctions are run continuously Friday night and Saturday. Items not sold Friday are offered again Saturday.

Here's How

- Fill out a bid sheet for each item with a description, minimum bid and ID#
- Follow the bid rules on the sheet.
- The ID# is your initials and a number: NL001, NL002, etc.
- Fasten the item to the bid sheet. A snack size zip lock bag stapled to the sheet works great for flaps, CSP's and small items. Larger items work well with sandwich size zip locks or sheet protectors.
- Bring the items to the Silent Auction table Friday afternoon or early evening
- Commission for items sold is **15%**. Payment will be mailed from the council office within 2 weeks.
- Pick up unsold items at the end of the day Saturday.
- If you cannot pick up the items and there is a small quantity, arrangements can be made to have them mailed for a small fee.
